POSTKARTE.

FOR ADDRESS ONLY.

Carlyle's House, Ecclefechan. This is the only interesting building in all the quiet little village of Ecclefechan: Carlyle lived here from 1795-1881, and lovers of the Sage of Chelsea come to it as do pilgrims to Mecca. The house is a plain white erection with a slate roof: and Carlyle's grave in the little Churchyard is an equally plain tombstone and inscription of a few words.
